SUPPLEMENTAL DETAILED ACTION

The amendment filed on 8/11/2003 has been entered. Claims 1-19 have been canceled. Claims 20-39 and newly added claims 40-57 are presented for examination.

It is noted that the amendment filed on 8/11/2004 includes two claims 54. For this reason, an Examiner's Amendment is needed to renumber the second claim 54 and claims 55-57 as claims 55-58.

The examiner apologizes for making this amendment without consultations with applicant's representatives. However, since the examiner is on Extended Maternity Leave, and not being able to communicate with applicant during normal Office hours, the examiner regrets for any inconvenience that this Office Action may cause to applicant and applicant's representative.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Claims:

Please renumbers "second claim 54" and "claims 55-57" as claims - 55-58 -.

Allowable Subject Matter

Claims 20-58 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: As previously stated in the Office Action dated 4/10/2003, the prior art fails to disclose the claimed security tag deactivation apparatus for a self-checkout system comprising:

a first zone;

a second zone;

and having the functions and characteristics as recited in claim 20.

The prior art also fails to disclose the limitations of claims 29, 34-40, and 50.
